Photo: Suzanne Martinson—Suzanne Martinson Architects

Photo: John Caldwell—Caldwell Architects

Send us any Architectural or Industrial/Commercial design application of perforated materials and you could win up to \$1,500.00!

Release: In exchange for good and valuable consideration, receipt of which is hereby acknowledged, the undersigned ("Submitting Party") hereby gives the Industrial Perforators Association ("IPA") and each of its Regular Members the irrevocable right and permission, with respect to the drawing(s)/photograph(s)/slide(s)/digital image(s) (together, the "Images") listed in the attached Exhibit A:

1. to republish any or all Images as an illustration or illustrations on an Internet web site or in any other print or electronic publication promoting the perforated industry or the business of a Regular Member (collectively, "Promotional Material");
2. to make minor changes, such as cropping, in any and all Images, as long as such changes are related to the publication of Promotional Material and do not materially alter the Image or Images;
3. to display in any Promotional Material any trademark, service mark or other designation of source shown in any Image or Images; and
4. in connection with any Promotional Material, to identify the Submitting Party by name as the source of the product shown in the Image or Images

Submitting Party hereby releases and discharges IPA, its members and any publisher or designer of any Promotional Material featuring any Image, from any and all claims and demands arising out of or in connection with the use of any or all Images, including any and all claims or demands for patent infringement, copyright infringement, trademark infringement or defamation.

Submitting Party hereby represents and warrants that it has obtained any necessary third party consent or permission in connection with the submission of the Images to IPA and the use of the Images by IPA and/or its Regular Members in Promotional Materials as contemplated above

This release shall inure to the benefit of IPA, its Regular Members and to its their legal representatives, successors, licensees and assigns, including specifically to any publisher or designer of any Promotional Material featuring any Image.
